## Model SP-10™ Magnum Autoloader

• For serious extended-range shotgunners, there's only one choice – its 10-gauge bore produces significantly superior patterns and less felt recoil than any 12-gauge, 3-1/2" gun out there • Features a corrosion-resistant system, in which the cylinder – not the piston – moves, helping dampen recoil • Magazine capacity: 2 • Comes with sling swivels and padded sling

## Model SP-10™ Waterfowl

• Synthetic stock fully covered in the state-of-the-art wetlands concealment – Mossy Oak® Duck Blind™ camouflage • 26" vent rib Rem™Choke barrel with HiViz® fiber optic sights • Supplied with three Briley Rem™Choke extended specialized waterfowl tubes – decoying, intermediate and pass shooting (ported) non-toxic approved • R3® recoil pad
