## Brilliantly Simple DECOYS

- Durable, corrugated plastic material • Impervious to weather and the elements
- Lightweight • Patented fold up design: when folded they are 3/4 inch thick for easy transportation • Photorealistic images on both sides • Easy set-up
- Hangs from a branch or stands alone with included stakes

### Backside Struttin Jake Decoy

- 2-sided jake fantail sure to drive mature toms crazy
- He will circle and circle never getting to the front – insuring the hunter an opportunity at a shot • Folds down to fit in vest and sets up instantly

CODE: 65509-2 **\$ 19.94**

**SPECIAL**

### FanTom Jake Motion Tail Decoy

- Collapsible full-body jake decoy with a removable fan • A string-activated mechanical tail that actually changes from the full strut open position to a fully closed down position by simply pulling the string
- Comes with a line caddy and 100+ feet of line, mesh carry bag with orange safety accents, 2-piece stake and the removable jake mechanical tail

CODE: 61009-1

**\$ 59.00**

**SPECIAL**

### Wounded Woodpecker Motion Decoy

- Flapping wing decoy will bring in the predators for a closer look • Can be used with one wing or two – either clip it to a branch with the attached metal clip or place it directly on the ground for a more realistic effect!
- Requires 3 AAA batteries, not included

CODE: 48207-0

**\$ 34.00**

**SPECIAL**

### Windlife® Motion Head Decoy

- Use with almost any standard, full-bodied or shell goose decoy • Lightweight construction, durable finish
- Simply push the head's base cone into the mounting hole on the decoy body
- Adjust the amount of motion by re-positioning the depth of base cone
- Makes your decoy look like it is actually feeding

CODE: 62309-1 – Active Feeder, CODE: 62409-8 – Half Feeder

CODE: 62509-5 – Full Feeder

**\$ 16.00**

**SPECIAL**

## Reel Turkey Feeding Hen

- Moves up to 200' in any direction
- Assembles and sets up in 30 seconds
- Simple string actuated decoy that allows the hunter full control of the Hen decoy motion
- Make her travel along in any direction as well as make her appear to feed as she moves along
- Mount most full strut decoys to make them come alive
- Includes: realistic hen decoy, skidder motion assembly, reel control with 200' of braided line, field carry bag and directional stake

**SPECIAL**

**\$ 70.00**

## Ultimate Predator Combo

- 4 sound choices: red squirrel distress, red squirrel chatter, rodent screams and distress screams • When the caller makes a sound, the decoy moves with it – if the call isn't producing a sound, the decoy is still • Built in delays and random sound generation – never plays the same sound sequence twice • Small enough to fit in your pocket • Each run on 4 AA batteries, not included

**SPECIAL**

**\$ 45.00**

## Truck Bed Retainer

- Retaining device designed to securely retain light loads that extend out away from the tailgate of a pick up truck such as extra long lumber, canoes, and kayaks • Simple to use • Heavy duty nylon netting and strap construction with metal hooks and ratchets will wrap around any item extending out of your truck's bed • Built-in red safety flag

**SPECIAL**

**\$ 34.00**

## Big Tom™ Turkey Plaque

- Extra long beard display section
- Solid oak plaque
