## Kimber Rifles — Now available in Canada!

The Kimber Model 84M™ is the first ultra-lightweight production rifle that combines classic design, hand finishing and the advantages of a Mauser claw extractor for true controlled round feeding and extraction. Accuracy is ensured by the match grade barrel, chamber and trigger, along with pillar bedding on all models.

**Features:** • Three-position wing safety acts directly on the cocking piece for greatest security • Machined steel bottom metal with floorplate release inside the trigger guard • Receivers are drilled and tapped • Match grade barrel with match grade chambers and target crown for exceptional accuracy • Pachmayr® Decelerator® recoil pad

### 84M Classic Package

• Grade A walnut stock with hand-rubbed oil finish, and hand-cut checkering • Sling swivel studs
